HANDICAP LIMITS

Members' Invitation – Visitors 27

Massey Park members visiting other clubs are requested to inquire in regard to the limit (if any) in force at that particular club.

Maximum Australian Handicap: 27.

New Members:

It is the responsibility of the proposer and seconder, immediately a nominee is elected to membership, to see that such new member is introduced to other members, is advised of all rules governing the conduct of the club, and above all is sufficiently advanced on the knowledge of the rules of golf to be competent to perform the duty of marker of a fellow competitor. Please ensure that you play with your nominee until he is so equipped.

Visitors:

Visitors are eligible to compete in only such programmed events as are indicated (invitation and/or open) and those they are eligible to play in at their home club. Where a visitor is a member of two or more clubs, his home club handicap shall apply.

For competition purposes a visitor must be a financial member of a golf club affiliated with Golf NSW or similar interstate or overseas association.

Country visitors will be allowed to play in ordinary competitions only if permission to play has been obtained from, either the club's captain, president, treasurer or secretary manager. A country visitor is a member of another golf club who lives not less than 100km from Massey Park Club.

Saturday Invitation Days: 1 Visitor per Member.

Fourball Time Sheets:

The word 'partner' may stay on such sheets for one week only and will be removed by the committee on the Sunday prior to the event at 6pm. to enable others to play.

Time Sheets – General:

Member's names must only appear once on any time sheet. Time sheets should only be altered by the member themselves or through the pro-shop. Member's names from the reserve list **do not** have any priority over others when filling vacant spots on the time sheet.

Early cancellation assists other member in getting a game. When withdrawing from a team event (2 Ball etc) the correct etiquette is to notify the remaining player or players of your withdrawal.

RULES OF THE CLUB REGARDING CONDITIONS OF PLAY

General Conditions:

All events are to be played over 18 holes unless otherwise stated.

In the event of a tie in ordinary competitions, except when the committee decides to divide the trophy, the winner shall be decided by a count-back in the manner laid down by Golf NSW. All major event ties will be decided by a play-off. Trophy events will be decided by count-back.

Members are required to acquaint themselves with local rules. All changes will be posted on the notice boards.

A payment of green fees will be imposed on any member failing to appear or canceling (less than one hour) prior to their booked-in time on the starting sheet. Failure to pay fees, after 21 days, will result in suspension from golf playing.

Player's not complying with the above on three (3) occasions, in any 12 month period, will forfeit their privilege of booking in for golf, prior to the morning of the event, for one calendar month. Further no shows will result in a one-month suspension from all golf playing privileges.

All players should make themselves available to commence golf at least 15 minutes prior to the booked tee time. Player's should abide by the starter instructions at all times. Failure to do so may result in a 2-stroke penalty and/or disqualification.

Start and finish times should be displayed on the singles card of the lowest marker in the group or on the team card for all other events. Failure to do so is a two stroke penalty, for each member of the group.

Competition cards/scores are to be entered on the computer kiosk within 10 minutes of completion of the round. Failure to do so is disqualification.

Motorised Transport: The use of motorised transport is permitted in all golf events, unless such transport is not allowed on the course. (Wet Conditions)

Mobile phones are permitted to be used on the course during play. Ringing/vibrating (**audible**) whether answered or not is not permitted.

Talking on the phone is not permitted.

Penalty is disqualification.

Mobile phone use in the case of emergency is deemed permissible.

DRESS REGULATIONS

Members are reminded that dress regulations apply whilst playing in any competition event.

Acceptable dress is as follows;

- Collared Shirt or Golf Shirt
- Tailored Shorts or Trousers
- Short Socks
- All dress should be neat and tidy

Unacceptable dress is as follows;

- Board Shorts
- Stubbies or Ruggers

- Any Football Gear
- Jeans

Penalties will apply for any failure to be attired appropriately.

Match Play Events – Conditions of Competition:

In all match play events, in the event of a tie at the end of the number of holes specified by the Committee for the match, the stipulated round is to be extended to as many holes as is required for the match to be won (Rule 2-3).

Matches **must** be played on dates set down unless otherwise sanctioned by the golf committee.

Members competing in match play are ineligible to compete in a stroke play event of the day.

Championship Matches – Stroke Play;

In all championship stroke play events, if a tie exists for the scratch score, an 18 hole playoff will take place on a date fixed by the committee. In the event of a tie still persisting after the 18 hole playoff, a sudden death playoff will follow as soon as practically possible (as determined by the committee). The winner of the sudden death play-off will be the player who is the first to hole out in fewer strokes, than his opponent at a play-off hole.

All stroke play, runner-up ties and nett ties, will be decided on a count back.

All players eligible for a championship event must play on the day allocated by the committee or forfeit.

A player must be a full member of the club for a minimum of 3 months prior to the commencement of a championship event to be eligible to compete. New members without an existing Golflink handicap must also have submitted a minimum of 20 cards to be eligible for a championship event.

Draw for Tee Times;

Any player withdrawing from and/or failing to appear for any event, after a specified draw for tee times has taken place, will forfeit the right to enter the corresponding event the next year. The player will also be liable for all playing fees that exist. The player may also be suspended from all golfing privileges for one month, if the golf committee deems fit (i.e. Failure to provide a reasonable excuse for not playing).

PLEASE TAKE A SAND BUCKET AND FILL IN DIVOTS

AMBROSE

Method of Play:

1. Maximum of four players in each group. The lowest marker is the team captain of each group and hits off last from each tee.
2. All players hit off from the tee, the best drive is selected (longest, best position etc.) to be determined by the captain.
3. Other three players pick up their balls, then each drop their ball within one club length of the best positioned ball, in the conditions as the selected ball, e.g. Rough, bunker etc. (no nearer the hole) and play. The player whose ball has been selected is the last to play from the actual spot at which his ball finishes.
4. On a par four it is presumed that at least one player will hit the green in two shots. Bearing this in mind, the following procedure is adopted.
5. The selected ball is normally the nearest to the pin but may be the easiest putt. The other three players pick up their ball and place them one-putters-head length from the spot at which the selected ball is marked.
6. Each group has one score for the hole.
7. As soon as a ball is holed, the other players pick up and proceed to the next tee.
8. The foregoing procedure applies to all holes – par 3's, 4's, 5's.
9. The captains of all teams to sign the score cards at the conclusion of play.
10. **Handicap:** 4 players = $1/8^{\text{th}}$, 3 = $1/6^{\text{th}}$, 2 = $1/4^{\text{th}}$.

POINTS TO REMEMBER

- The lowest marker in each group is responsible for the manner in which the group plays their round of golf.
 - Eg: Observing the etiquette and rules of golf
 - Repairing divot and pitch marks
 - Making good bunkers
 - Accurately scoring cards
 - Playing without undue delay

- In all par or Stableford events, pick up when a score is not possible.

- Don't leave buggies or bags at the front of greens.

- If safe to do so, at your discretion, call up the next group whenever possible.

- Study your line on the putting green while others are putting. You do not have to move about to do this, but you have to get to the position of your ball before the first player putts.

- Leave the green immediately the result of the hole has been determined and proceed to the next tee. Don't score your card next to the green.

- Allow the shortest hitters to hit off first before scoring their card. They can score the previous hole while the other players hit off. Be honest about how far you can hit the ball.

- **Players searching for a ball should immediately call the following group through, and in accordance with the rules then have five minutes to search.**

- It is not intended for any player to have to rush their shot, but please proceed **directly** to your next shot, at a reasonable pace. Don't stand behind other players and watch their shots before moving to the position of your ball.

- Your position in the field is directly behind the group in front, **not in front of the group behind. The Committee reserves the right to penalise a player and/or group for continued slow play.**

- If for whatever reason you do lose your place in the field, please try and catch up as soon as possible.

Please remember that all players deserve the opportunity to hit off as close to their allotted tee time as possible, whether it is 7.30, 9.30, 11.30 or 12.30. Your assistance in observing the above items may help in making this possible.

WOMENS RULES OF THE CLUB REGARDING CONDITIONS OF PLAY

The Committee reserves the right to alter or make any variation in the program or conditions of play.

Players must be ready and prepared to hit-off 15 minutes prior to scheduled hit-off time.

Women golfers should read the notice board both in the locker room and outside the Pro Shop before starting play, as they must be aware of all notices, local rules, etc.

Handicapping:

When playing in competitions, players must play off their Golf Australia Handicap, unless it is a specific condition of the competition that Club Handicaps can be used. In a situation where a player competes in a competition round before a previous handicap-altering score is processed, their correct Golf Australia Handicap will be that displayed by Golfink. Please see the notice board in the Locker room for updates from Golf Australia in relation to handicap issues and adjustments.

Saturday, Sunday & Wednesday events will be played in two Divisions unless there are fewer than 24 players.

Medal Rounds will be played in two Divisions.

Only declared Midweek players are eligible to enter midweek Club Medals, WGNSW Medals & Wednesday Eclectic events.

Only declared Weekend players are eligible to enter weekend Club Medals, WGNSW Medals & Saturday Eclectic events.

Club Championships are to be played as follows:

- Weekend Club & Bronze Championships**
- Midweek Premiership & Bronze Championships**

Handicap for each Divisions in championships will be determined before commencement of the championships.

All women golfers (full members) may enter the **Club Championship** but must notify the Committee prior to the draw being made. Any player who elects to play in the Club Championship becomes ineligible to compete in the weekend Bronze Championships, but may play in Midweek Championships.

Draw for Championships & Major Events

Any player withdrawing from and/or failing to appear for any of the above events, after a specified draw for tee times has taken place, may be liable for all playing fees that exist. The player may also be suspended from all golfing privileges for one month, if the Golf Committee deems fit (i.e. failure to provide a reasonable excuse for not playing).

2BBB/4BBB events – In the event of one player not having a partner, that player will complete a singles card. At the completion of the round the Duty Committee will draw a player's name from the rest of the field and her score will be combined with the singles card. In the event of two players without partners ie 2 groups of three players, the two singles cards will be combined by the Duty Committee at the completion of the round.

If you have to withdraw from team events, it is your responsibility to inform other members of your team.

Where a compulsory draw has been made for an event eg Medal rounds, players are asked not to move themselves on the timesheet without first consulting a member of the Women's Committee.

N.B. PLEASE READ FURTHER CONDITIONS OF PLAY DISPLAYED IN WOMEN'S LOCKER ROOM.

Trophy Donors: The Committee expresses their sincere thanks to all donors of trophies. Your donation greatly assists the club and displays a spirit that indicates your appreciation of belonging to the club.

Country Visitors: Will be allowed to play on ordinary competition days (Wednesday, Saturday and Sunday), only if permission to play has been obtained from the President, Captain, Secretary or Treasurer.
A country visitor is a member of another club who lives not less than 100km from Massey Park Golf Club.

Dress Regulations: All are requested to take pride in their club with regard to dress and conduct generally, especially when visiting other clubs. Regulation golf shoes are to be worn with socks or stockings.

Acceptable Dress: Collared or golf shirt. No tee shirts are permitted.

Tailored shorts, skirts and slacks may be worn on the course and in the Clubhouse. Short shorts, bare midriff tops, rubber thongs and sneakers are not allowed on the course.

Denim jeans / pants or shorts are not permitted to be worn on the course while playing in any competition, on any day.

Tracksuits/leggings made from any material (i.e. flannel silk etc.) are not allowed to be worn on the course.
