

IMPORTANT NOTICE TO MEMBERS – 30TH JUNE, 2021
MEMBERSHIP RENEWALS & BAR ACCOUNTS

By now all members should have received their membership renewals that stipulated those renewals were due by the 30th June.

In addition, all Golfing Members, except for those who may have joined under a Special Membership offer, would be aware that they would normally have until the 30th June each year to exhaust all monies in their Bar Account.

Members are advised that the Board of Directors have determined the following in relation to membership renewals and bar accounts:

Membership Renewals:

Given that golf is considered to be exercise and allowed to continue under the current Public Movement Order, it has been determined that the renewal process will continue, however the renewal deadline will be extended to the 31st July, 2021. Normal final notice periods will be adjusted from that date.

The preferred payment options remain as BPay or Electronic Funds Transfer as they require no contact and don't incur any credit card surcharge. Payments can also be made via credit card, however this will incur a 1.5% surcharge. For payment via credit card, please call the office on 9743 1917.

We appreciate that these are very difficult times for all but we have been fortunate that golf has been allowed to continue albeit under restricted circumstances.

Now more than ever, Massey Park Golf Club needs your commitment so we urge members to renew and if possible, renew by the extended due date. Your renewal will enable us to move forward knowing that we have the support and confidence of our members.

It is very important that you review your contact details as provided in your notification and advise of any changes. Changes to your details can be made via the Members' Portal on the club web site or by calling or emailing the office. It is important that we have accurate contact details for our members as this will help in keeping you abreast of club news. In addition, it will be used to notify members of AGM or any important club related matter in order to improve financial and environmental sustainability.

Bar Accounts:

As the clubhouse is currently closed and members may not have had an opportunity to exhaust their Bar Accounts by the 30th June, the date for this has been extended until the 31st of August. Hopefully a reduction in case numbers and an increase in vaccinations will allow increased access to club facilities and a return to some sort of normality and members will have an opportunity to exhaust their Bar Account. All other accounts remain as normal as Top-Up Accounts will roll over and Ball Accounts can still be accessed via the Proshop.

These decisions will obviously be reviewed if there are any changes to the Public Movement Order and members will be notified accordingly.

We trust that you and your family have navigated these difficult times safely and we look forward to seeing you back at Massey Park Golf Club in the very near future.

On behalf of the Board of Directors.
